**Oh, really?** Yep. It's all about being bare for 2010! Ha-ha!  
**You rate yourself as a 9/10 in the looks department. Where do you drop a point?** Oh God, that's just something I put on my *Big Brother* application. You've got to talk yourself up a bit, haven't you? I think I'm quite a nice person, so I gave myself nine out of ten. But nobody's perfect!

**If a *Nuts* reader had the hots for you, how could he or she win your heart?** The key to winning me over is to make me laugh. I also like someone who's strong physically and mentally, who knows how to have a good time and will treat me right. Then wine me, dine me and sixty-nine me, and I'll be all yours!

**Who's your ultimate celebrity crush?** Ooh, who's fit at the moment? To be honest, I'm not really into big celebrities – I like boxers. I like a man who's tough mentally and strong enough to throw me around the bedroom. I could do with a hot night of passion – it's been 11 weeks!

**If you could get jiggy with any *Big Brother* housemate from the 11 series, who would it be?**

Hmm, probably Anthony Hutton from *Big Brother 6*. I also really liked Charlie Drummond from *Big Brother 10*, but he's gay!

**Which housemate is your all-time favourite?**

Jade Goody, without a doubt. Not only was she entertaining in the house, she also did some remarkable things outside of it. She was just a down-to-earth person and could have a laugh with everyone she met.

**You've got a couple of tattoos – do you plan to get any more?**

Not at the moment. I don't have any in any rude places, either! I've got a Nike tick on my arm that I got when I was 15. I'm having it removed and I can't wait!

**Thanks, Corin! Finally, will we see you again?** I hope so! It's all a bit of a whirlwind at the moment.

I like not knowing what's going to happen tomorrow, though. Who knows? I could be at home next week and not get any work. Either way, I'm just going to make the most of whatever comes my way. After all, you only live once! ■

The 30G brunette on life  
after Big Brother!

This year's *Big Brother* may not have been packed with incident but there's no denying the quality of its totty. To prove it, here's Corinne Forshaw. Minus her top! ➔

**H**i Corin! Is it weird being out of the house? Yeah! I was in there for 11 weeks. It's a long time but I'd always wanted to go on the show, so I coped with it dead well. **What sort of response have you had since you got out?** No way did I expect to get the response that I have. I thought I'd get booed but everyone's been so lovely. People tell me I'm hilarious and other nice things. Today, I went shopping and I must've spent about two hours shopping and five hours talking to people! People would have their photo taken with me and say, "Thank you." And I'd go, "No, thank you for wanting a picture with me!" **Who did you get on with the best and worst in the house?** I'd say the best were Josie, Dave, Mario, Steve, Ben and Nathan. Oh, and Ife. I didn't get on with John at all! He seemed to have it in for me from day one, so I just tried to stay away from him.

**Are you excited to be doing a shoot for Nuts?** It was a dream for me to get on *Big Brother*, and you always see girls who've been in the house doing photo shoots for Nuts. So this fulfils everything I've always wanted to do! **Are you used to walking around in your pants?** No way! I'm the shyest person ever. I wouldn't even walk past my mum in my undies or say "bra" to my dad! **You've admitted you're bisexual. Do you prefer men or ladies?** I can't really say, as it's all about the person in question. I know you boys go all funny when two women are together! Ha-ha! **Are you in a relationship with a lady at the moment?** We're in the process of sorting things through. When I get home, we're going to meet up, have a chat and see what happens. This is my first relationship with a lady. I was attracted to her as soon as I met her, and we got together. It's been a few years now. ➔

**"I know you boys  
go funny when two  
women are together!"**

**Do you think your next partner will be a bloke?** I'm not thinking that far ahead, to be honest. It's not all about me – there are other people in my life. So until I've got everything straight with what I'm doing at the moment, I won't even be considering it.

**When you're with a girl, do you miss manly loving?** Not really, to be honest. I'm with who I'm with and I don't miss guys when I'm with a girl – and vice versa.

**What are the differences between going out with a guy and a girl?** There's no difference for me, really. I was attracted to my partner in exactly the same way I would be with a guy. She made me happy and that was it.

**Are men or women more adventurous in bed?** Again, it's hard to answer because I know what I can do and it makes no difference who I'm doing it with!

**When ladies do the sex, do you have "positions" like a man and a woman would?** Ha-ha! Yeah, of course we do. You can get into whatever position you want – it all depends on what tools you're using! I have a bottom drawer. I can't tell you what's in it, though – that's too much information!

**Your dream is to be a celebrity's PA, right?** Where the hell did that come from? There are loads of things written on the internet about me. I don't know where they get it, though. I haven't even got a Facebook or a Twitter account. I've certainly never said that about being a celebrity's PA! **Well, that kind of ruins our next question. We wanted to know whose PA you'd like to be.**

Oh, right! Er... probably Sharon Osbourne. She'd be mint! I'd love to be in her house and see exactly what goes on. She's funny and down-to-earth, but also really strong. I reckon she could teach me a thing or two about life!

**Have you relieved any "tension" since you left the Big Brother house?** No, I haven't yet. I've been so busy with work, I haven't had the chance. And I'm feeling very frustrated! After about two weeks in the house, we were all, like... they could've sent anyone in and we'd all have been drooling! You just want to get a bit of attention and give it out, but you're not allowed to! ➔

Was there anywhere you could sneak off to be rude? No, there was nowhere at all. At first, you could go inside the wardrobe but after we mentioned it, the producers built something inside it so you couldn't go in!

**Harsh!** Are you happy with your 30G boobs? They're really good! I always wanted to have big boobs and now I've got them! I was pretty confident anyway but I wanted my chest to be even bigger, so I had a boob job.

**Blokes are obsessed with boobs. Are girls just as obsessed?** It depends on the person. It's each to their own. People like what they like. I can only speak for the people I've been with and it doesn't make much difference!

**Who'd win a boob-off between you and Jordan?** Oh, she would, definitely. Her boobs are hot! I really like Jordan. She looks amazing in all the pictures she does. I never set out to look like her or be like her or anything. I had a boob job and dyed my hair black, and all of a sudden everyone was like, "Oh my God, you look like Jordan!" I see it as a compliment. She's mint!

**You say life should be grabbed by the short and curlies – ever been grabbed by yours?** Ha-ha! What am I supposed to say to that? I don't have any short and curlies, so it would be difficult! ➔

**"It's all about being bare for 2010! Ha-ha!"**
